

YWIST; HerWorld Agenda
Thursday, October 22nd
Denver Merchandise Mart
(451 East 58th Avenue, Suite 4270, Denver, CO 80216)

Goal: To encourage and reinforce the interest of young women in science, technology, and business. To provide educators with the skills to encourage and reinforce young women's interest in these career fields. To introduce young women to motivational and inspirational female role models currently working in these fields. And, to increase the number of young women pursuing science, technology, & business related careers.
