

TO: Exhibitor

FROM: Allison Hubbard & Laurie Dressel

SUBJECT: **YWIST; HerWorld 2009**

DATE: August 2009

Hands-on Workshop

Consistent with the ongoing statewide emphasis on attracting individuals into nontraditional careers, a program has been developed to complement these efforts. We are excited to present the 6th Annual Young Women in Science and Technology; Her World retreat presented by DeVry University and their dedicated sponsors. This event is designed to inform and excite young women about nontraditional careers relating to science, technology and business.

We are looking for business partners for this event and hope you can help us out. The retreat will be held on **Thursday, October 22, 2009** at the Merchandise Mart on I-25 & 58th Avenue. The event has been a great success for the last 5 years and we are expecting another great event.

The room was buzzing with excitement!

I would like to invite you to be an exhibitor and supporter of Young Women in Science and Technology 2009. The key to our program will be sustainability. It is our intention that Young Women in Science and Technology; Her World continues to be presented annually to the benefit of young women in Colorado. You, as an exhibitor and supporter, will have the opportunity for long-term affiliation with this important event.

In lieu of a booth rental charge, we are asking the exhibitors to make an “in-kind” donation of items/merchandise valued at \$100, to be used in our door prize drawings for the students and educators.

We hope you are able to join us as we inspire young women in Colorado to ready themselves for the workforce. If you have any questions along the way, please don't hesitate to contact Allison Hubbard by phone at (303) 280-7527 or by email at ahubbard@devry.edu or Laurie Dressel at (303)280-7653 or ldressel@devry.edu . We look forward to your participation this year!

Sincerely,
YWIST Committee
